Defendants' Notice to Court Pursuant to the Court's Memorandum and Order on
Plaintiff's Motion for Preliminary Injunction Dated May 4, 2021

Now comes Counsel for the aforementioned Defendants, who through this filing seeks to notify this Court that Defendants are agreeable to the court's appointment of a master and/or custodian as outlined in the Memorandum and Order of this Court dated May 4, 2021, whose role would be limited to the supervision of an emergency meeting of the membership to chose managers of the organization, oversee the adoption of a new, comprehensible by-laws and make a written report to the court.

Defendants further state that their attempts to meet with the other side to settle this matter out of court was rejected by Plaintiff's Attorney on May 12, 2021 who instead of responding to this offer, merely restated the terms of their original proposal on March 4, 2021.

Respectfully submitted,

/s/
